RE: Centene Corporation Scholarship

Dear School Counselor:

Centene is proud to be able to offer three \$2,500 scholarships annually to local graduating High School Seniors. This is an excellent opportunity that could assist students with their educational expenses.

Please make sure all eligible seniors at your high school are made aware of this scholarship and receive a copy of the enclosed application. If interested, they should return the paperwork by the deadline date of March 1st, 2017 to:

Susan Lee
1720 10th Avenue South – Suite 4, #239
Great Falls, MT 59405
406-870-0176

Thank you in advance for your assistance in making this program a success. Should you have any questions or concerns, please feel free to contact me at 406-454-9500 – ext 8021609.

Respectfully,
